## **CareerBuilder Job Posting Network**

When your open position demands the most comprehensive reach to a wide range of different candidates, CareerBuilder is for you. Its sophisticated matching technology will ensure your ad is seen by active candidates who are looking for their next opportunity, from a brand they know and rely on.

Add CareerBuilder to MaxRecruit™ or any of our Industry or Targeted Audience Networks.

Great for:

- Full- and part-time positions where you need multiple candidates.
- Leveraging CareerBuilder's matching capabilities to find job seekers who meet all your candidate requirements.
- Opportunities where you want to be sure you've got the best visibility, thanks to a widely known and trusted brand.
